## **PLEASE DETACH AND KEEP FOR YOUR RECORDS**

### **ATTENDANCE:**

Our goal is to **help you teach** your child about our Catholic Faith and to help your child grow in Christ. Please remember we have your child but for an hour a week. With such little time, it is vitally important your child attend religious class regularly; this includes being on time to class.

### **CONTACT INFORMATION:**

Should your contact information change during the school year, PLEASE make the R.E. office aware of new information. The ability to communicate with families, especially in case of emergency, is VITAL. We NEED to have current phone numbers on all registered students.

### **SACRAMENT CLASSES:**

Diocesan Requirement states students enrolled in a Sacrament-seeking class must receive a minimum of 28 hours of Religious Education; this means your child may have only 3 EXCUSED ABSENCES. Lack of attendance may result in your student being asked to repeat the Sacrament class and/or wait to receive his/her Sacrament until the next Religious Education School Year.

### **COPIES OF SACRAMENTS RECEIVED for those enrolled in Sacrament classes:**

A copy of all Sacraments your child/ren has received to this point **MUST** be turned into the Religious Education Office by **October 25, 2008**. (Including those Sacraments made at St. Stephens.) Please contact Jeanette Houle with any questions or concerns.

### **IMPORTANT INFORMATION REGARDING YOUR CHILD/REN:**

Please be sure your child's teacher is made aware of any special needs and/or circumstances concerning your child. We can not know what is not shared. Be sure the space provided on the Registration Form has been filled out.

### **LIVING YOUR CATHOLIC FAITH**

Your child's first and most important teachers are YOU; his/her parents. Research tells us children learn best by seeing and watching those around them. You are the first and most important role model for your child. Living your Catholic faith is the best way to help your child grow in his/hers.

Both an Adult Religious Education class and an Adult Bible Study class are available at THE SAME TIME your child is in Religious Education class. I encourage everyone to spend time in either or both class. Our Faith Journeys are never complete; learning takes place in every moment of every day for each of us.
